

**All Masses
13,14,16 & 17**

The reason we are making this change is to better utilize the ministers in the back and to assure everyone has access to the Precious Blood.

EM 16 & 17 come down the center aisle and follow this sequence - first H(handicap) 1, then H2, H3, H4, H5 and then the cry room and they then proceed to position 17³ and 16³ to distribute to section 7B. 13 & 14 take their positions and do section 7A. When done they do handicapped H6-H12. Then they do anyone standing.
